

Complaints Policy

Our Policy

Ecology Network strives to deliver an excellent service to our clients and other stakeholders. In the unfortunate event that you feel we have not met this standard we encourage you to let us know so that we can resolve the matter satisfactorily and can look to improve the ways in which we conduct our business.

Our Procedure

If you have a complaint the first step is to raise it informally with Greg Carson (Director), either verbally or in writing, in order that he may resolve it. We would encourage you to raise the matter with him as soon as possible so that he can address your concerns before matters get worse. In practice, most complaints can be resolved in this way.

If this does not resolve the matter satisfactorily, we would ask that you make a formal complaint in writing to the Director, via email or letter to the address below, so that there can be no misunderstanding about the nature of your concerns.

Once we receive your complaint we will take the following steps:

1. We will acknowledge your complaint within 5 working days of its receipt.
2. The Director will look into your complaint, requesting further information if necessary.
3. Within 10 working days of your acknowledgement we will write to you to confirm the outcome of your complaint, including any action we propose to take as a result of the inquiry. If we are unable to meet this timescale we will notify you, explaining why, and setting a deadline by which you will hear from us again.

We would expect to resolve your complaint satisfactorily but accept that sometimes this is not possible. All our relevant staff are members of the Chartered Institute of Ecology and Environmental Management (CIEEM) so if your complaint relates to the technical competence of one or more of our staff, you have recourse to CIEEM's professional conduct inquiry procedures (see <https://cieem.net/resource/professional-conduct-inquiry-procedures/>). However, if your complaint relates to our business services, invoicing and charges you should contact the Citizen's Advice Consumer Service (UK) or the Competition and Consumer Protection Commission (COPC).
